Allowed. A simple tailor made model, developed in plain white linen lawn, is here shown. Narrow tucks either side of the center front box-plaited closing give a very stylish effect and a wide tuck ever the shoulders, stitched to nearly the bust line, gives a broad-shouldered appearance which is always becoming. The left side is ornamented with a small breast pocket, and the one-piece plain sleeves are finished with deep points over the hands. If preferred, the regulation shirt sleeves may be used. The model is also adaptable to victoria lawn or Indianhead cotton.

The pattern is in seven sizes—32 to 44 inches, bust measure. For 36 bust the waist requires 3% yards of material 20 inches wide, 3% yards 24 inches wide, 2 yards 27 inches wide, 2 yards 36 inches wide or 2 yards 42 inches wide.
